Academic

Candidates will sit a written examination of a standard suited to academically able Year 6 students. There will also be an interactive activity. A copy of your child's latest school report will be required at the time of application. The examination will be held in the Preparatory School on Friday 2 June 2017 at 1.30pm. Short-listed applicants may be required to attend an interview.

Music

Candidates will attend an audition at which they will perform two contrasting pieces (without repeats) from their own repertoire on their musical instrument, and may be required to sing short passages by ear and respond to aural tests of pitch and rhythm.

Applicants must be of a standard equivalent to Grade 3 or above for major examining bodies such as Royal Schools/Trinity College. A copy of your child's latest school report will be required at the time of application. Preference will be given to students playing instruments other than piano. The College is particularly interested in players of woodwind, brass and string instruments, although the ability to sing and play the piano is an added recommendation.

Auditions will be held on Wednesday 24 May 2017, individual times being communicated in writing. For any enquiries regarding the suitability of a candidate's particular musical instrument for this scholarship you should contact Mr Duncan Ferguson, Head of Music on 03 940-2000.

All scholarships are reviewed annually. Scholarship holders will have their conduct and their co-curricular and academic contributions to the College taken into consideration.
