

St Andrew's College

Sports and Cultural Scholarships

Form of Scholarship

Academic tuition fee reductions are available to students of outstanding ability in cultural or sporting areas, and supported by favourable academic progress and achievement, who are not already attending St Andrew's College.

All scholarships represent a subsidy on tuition fees. The amount of fee reduction will depend on the all-round or specific qualities of the applicant and will be in the form of an offer made, in writing, by the Head of the Secondary School. There is no charge for applying for a sporting/cultural scholarship, but there is a \$400 acceptance fee, which is applicable to all students entering the Secondary School, including scholarship winners.

The successful candidates for cultural scholarships in Music will be expected to take Music as a subject as part of their academic programme in Years 12 and 13.

The sporting/cultural scholarship decision made by the College is final.

Targeted Sports

Winter: basketball, football, hockey, netball, rugby

Summer: cricket, rowing, tennis, volleyball

Additional ability in athletics, golf or touch will also be taken into consideration.

Interview

All shortlisted applicants will be required to attend an interview. The date and time of the interview will be advised by the Registrar. A staff member of the College may also watch the applicant's performance in their field of excellence, i.e. strongest sport/cultural discipline.

A questionnaire will be sent to shortlisted applicants to be completed before their interview and to be discussed at the interview.

Review of Scholarships

Parents are advised that all scholarships are subject to yearly review, in order to ensure that a student's performance, both in co-curricular and academic progress, is in line with the conditions of the award.

Interviews will be held for shortlisted applicants in late September and early October 2017.

Applicants must be New Zealand citizens or Permanent Residents of New Zealand.

Candidates should complete the application form and return it, together with the supporting material requested to Registrar, Lynn Smith, St Andrew's College, 347 Papanui Road, Strowan, Christchurch 8052
